

# DON'T YOU KNOW

(Chuck Girard)

**A** **F#m** **E** **(Esus)**  
Don't you know it's not enough to sit around  
**A** **F#m** **E** **(Esus)**  
Don't you know the time has come to get it on  
**D** **A** **B**  
Don't you know the benefits you will receive my friend  
**Bm** **Bm7** **E** **(Esus E7)**  
In the long run will depend on what you give

**A** **F#m** **E** **(Esus)**  
Don't you know how patient God has been  
**A** **F#m** **E** **(Esus)**  
Don't you know He's waiting for our love to grow  
**D** **A** **B7**  
Don't you know He wants for you to come into His rest  
**Bm** **E7** **A**  
And to pass each little test and be a man

**A**  
Don't you know His heart is waiting  
**A7/G**  
Patiently anticipating  
**D** **E** **A**  
The day when you'll begin to become sure  
**A**  
Don't you know He wants His small ones  
**A7/G**  
To become His strong and tall ones  
**D** **E** **A**  
God wants all His children to mature  
**D7** **A7**  
And start to live the kind of lives which give Him pleasure  
**D7** **A7**  
He desires to give us blessings without measure  
**D7** **A** **F#m**  
But we'll never find the fullness of the treasure no, no, no  
**Bm** **Bm7** **D/E** **E7** **A** **(modulate) F7**  
Less we take our cross and bear it like a man

**Bb**  
Don't you know He's disappointed  
**Bb7/Ab**  
When you just become acquainted  
**Eb** **F** **Bb**  
Then you turn your back and go your way
