

LITTLE PILGRIM

(Chuck Girard)

D **A/C#**
Little Pilgrim walking down the road of life
Em7 **Asus** **A7**
I find that in your heart, you're just a lonely one
D **G/D**
For you see, upon that very road
Em7 **Asus** **A7**
My search for good and truth had its beginning
D **G/D**
You take a little turn to the left
D **G/D**
And you see what that path has to offer you
Em7 **Asus** **A7**
Then you gotta make it back to the main road anyhow
Em7 **Asus** **A7**
And you have all that lost time to make up for
D **A/C#** **Bm** **D/A**
And it's a sad thing... torealize
Em **Asus** **A7** **D**
That you're all alone, that you're on your own again

D **A/C#**
Little Pilgrim, walking down the road of life
Em7
Can't you see that there are many others
Asus **A7**
Who are just like you
D **G/D**
I was lookin' in that same direction
Em
But all I ever found were others
Asus **A7**
Who were searching just like me
D **G/D**
And we didn't find the way or the answers
Em **Asus** **A7**
To the questions that were buried deep down in our souls
D **G/D**
We just found that the ways of men have no answers
D **G/D** **D** **G/D**
Anyhow

D D maj7 Gmaj7 G
Oh,..... don't you wonder....now
Em7 Asus A .D
What you're tryin' ..to do
D D maj7 Gmaj7 G
Oh,.....don't you wonder.....now
Em Asus A7 D
Where that path is takin' you

D A/C#
Little Pilgrim, walking down the road of life
Em Asus A7
I know that deep down in your heart that you are just like me
D G/D
What you're seekin' is a better way
Em7 Asus A7
And you're reachin' out for temporary resting places
D G/D
And you're glad to find a little peace of mind here and there
D G/D
But it won't last no, no, cause you'll have to move along someday
Em7 Asus A7
'Til you're resting in the arms of the only one who can help you
Em7
'Til you give your heart and your soul and your body
Asus A7 D G/D D G/D
And your mind and your life to the Lord
D A/C# Bm D/A
And it's a glad thing..... to realize
Em
That you're not alone no more
Asus A7 D G/D D G/D
That you found your way back home
D
Back home
