

SINCE I OPENED UP THE DOOR

(Chuck Girard-Fred Field)

G **C**
In my weakness, You always make me strong
D **C** **G**
All I wanna do now is praise You all day long
G **C**
If I should stumble You're there to pick me up
D **C** **G**
When I get thirsty, I know You'll fill the cup

G **C** **Am**
Since I opened up, opened up the door
D7 **C** **G**
I can't think of anything else but You anymore
G **C** **Am**
Since I opened up, opened up the door
D7 **C** **G**
I can't think of anything else but You anymore

G **C**
In a shadow, You flood me with Your light
D **C** **G**
To give You pleasure is now my one delight
G **C**
When I get weary, You give me peaceful rest
D **C** **G**
If my life gets troubled, I know it's just a test

(CHORUS)

G **C**
When I get lonely, You're there to comfort me
D7 **C** **G**
You clear the haze away so that my eyes can see
G **C**
If I'm distracted, You pull me back in line
D7 **C** **G**
All I can say Lord, You really treat me fine

(CHORUS)
