

THINK ABOUT WHAT JESUS SAID

(Chuck Girard)

E **A**
Think about what Jesus said
B7 **E E Esus E**
Before you let your mind re..ject... Him
E **A**
Listen to your heart instead
B7 **E**
And you will accept Him

E **A**
There may be many questions
B7 **E**
That you'd like to answer somehow
E **A**
All things will be shown someday
B7 **E**
But you can't know all things now
A **E**
But if you drain yourself
B7 **E**
Of all your little fears
A **E**
You might restore yourself
B7
By letting go the tears

(CHORUS)

E **A**
I know it gets confusin'
B7 **E**
And you don't know where you can turn
E **A**
But if you will control yourself
B7 **E**
You'll find that you will learn
A **E**
It gets so hard sometimes
B7 **E**
So much you could believe
A **E**
Blind men who don't even know
B7
Tryin' to deceive
